Subject: RE: Stimulus payments for exempt individuals

We handle the FICA/SECA exemptions. I thought the hook for getting the stimulus payment was filing a Form 1040. It is not clear to me why the SECA exemption would impact the receipt of a stimulus check, if they otherwise filed a 1040. I think the remedy for no stimulus check is to seek a 1040 refund. Have they sought a refund? If there are more facts here and you would like to discuss, please give me a call. Thanks.
